Levitation Agent Safety Data Sheet

SECTION 5: Firefighting measure	25
5.1. Extinguishing media	
Suitable extinguishing media	: Use extinguishing media appropriate for surrounding fire.
Unsuitable extinguishing media	: None.
5.2. Special hazards arising from the	e substance or mixture
Reactivity	: The product is non-reactive under normal conditions of use, storage and transport.
5.3. Advice for firefighters	
Firefighting instructions	: Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire-fighting water from entering environment.
Protection during firefighting	: Do not enter fire area without proper protective equipment, including respiratory protection. Do not attempt to take action without suitable protective equipment.
SECTION 6: Accidental release n	
6.1. Personal precautions, protectiv	e equipment and emergency procedures
6.1.1. For non-emergency personnel	
Emergency procedures	: Ventilate spillage area. Evacuate unnecessary personnel.
6.1.2. For emergency responders	
Protective equipment	: Do not attempt to take action without suitable protective equipment. Equip cleanup crew with proper protection. For further information refer to section 8: "Exposure controls/personal protection".
Emergency procedures	: Ventilate area.
6.2. Environmental precautions	
	thorities if liquid enters sewers or public waters.
6.3. Methods and material for conta	inment and cleaning up
Methods for cleaning up	: Soak up spills with inert solids, such as clay or diatomaceous earth as soon as possible.
Other information	: Dispose of materials or solid residues at an authorized site.
6.4. Reference to other sections	
6.4. Reference to other sections See Heading 8. Exposure controls and pers	: Dispose of materials or solid residues at an authorized site.
6.4. Reference to other sections See Heading 8. Exposure controls and pers SECTION 7: Handling and storag	: Dispose of materials or solid residues at an authorized site.
6.4. Reference to other sections See Heading 8. Exposure controls and pers SECTION 7: Handling and storag 7.1. Precautions for safe handling	: Dispose of materials or solid residues at an authorized site. Ional protection. For further information refer to section 13.
6.4. Reference to other sections See Heading 8. Exposure controls and pers SECTION 7: Handling and storag	: Dispose of materials or solid residues at an authorized site.
6.4. Reference to other sections See Heading 8. Exposure controls and pers SECTION 7: Handling and storag 7.1. Precautions for safe handling	 Dispose of materials or solid residues at an authorized site. Ional protection. For further information refer to section 13. Ie Ensure good ventilation of the work station. Wear personal protective equipment. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and
6.4. Reference to other sections See Heading 8. Exposure controls and pers SECTION 7: Handling and storag 7.1. Precautions for safe handling Precautions for safe handling	 Dispose of materials or solid residues at an authorized site. Ional protection. For further information refer to section 13. Ice Ensure good ventilation of the work station. Wear personal protective equipment. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Do not eat, drink or smoke when using this product. Always wash hands after handling the product.
 6.4. Reference to other sections See Heading 8. Exposure controls and pers SECTION 7: Handling and storag 7.1. Precautions for safe handling Precautions for safe handling Hygiene measures 	 Dispose of materials or solid residues at an authorized site. Ional protection. For further information refer to section 13. Ice Ensure good ventilation of the work station. Wear personal protective equipment. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Do not eat, drink or smoke when using this product. Always wash hands after handling the product.
 6.4. Reference to other sections See Heading 8. Exposure controls and pers SECTION 7: Handling and storag 7.1. Precautions for safe handling Precautions for safe handling Hygiene measures 7.2. Conditions for safe storage, inc Storage conditions SECTION 8: Exposure controls/p 	 Dispose of materials or solid residues at an authorized site. In the information refer to section 13. In the information of the work station. Wear personal protective equipment. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Do not eat, drink or smoke when using this product. Always wash hands after handling the product. In the original container in a cool, well ventilated place. Keep container closed when not in use.
 6.4. Reference to other sections See Heading 8. Exposure controls and pers SECTION 7: Handling and storag 7.1. Precautions for safe handling Precautions for safe handling Hygiene measures 7.2. Conditions for safe storage, inc Storage conditions 	 Dispose of materials or solid residues at an authorized site. In the information refer to section 13. In the information of the work station. Wear personal protective equipment. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Do not eat, drink or smoke when using this product. Always wash hands after handling the product. In the original container in a cool, well ventilated place. Keep container closed when not in use.
 6.4. Reference to other sections See Heading 8. Exposure controls and pers SECTION 7: Handling and storag 7.1. Precautions for safe handling Precautions for safe handling Hygiene measures 7.2. Conditions for safe storage, inc Storage conditions SECTION 8: Exposure controls/p 8.1. Control parameters Water (7732-18-5) 	 Dispose of materials or solid residues at an authorized site. In the information refer to section 13. In the information of the work station. Wear personal protective equipment. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Do not eat, drink or smoke when using this product. Always wash hands after handling the product. In the original container in a cool, well ventilated place. Keep container closed when not in use.
 6.4. Reference to other sections See Heading 8. Exposure controls and pers SECTION 7: Handling and storag 7.1. Precautions for safe handling Precautions for safe handling Hygiene measures 7.2. Conditions for safe storage, inc Storage conditions SECTION 8: Exposure controls/p 8.1. Control parameters 	 Dispose of materials or solid residues at an authorized site. In the information refer to section 13. In the information of the work station. Wear personal protective equipment. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Do not eat, drink or smoke when using this product. Always wash hands after handling the product. In the original container in a cool, well ventilated place. Keep container closed when not in use.
 6.4. Reference to other sections See Heading 8. Exposure controls and pers SECTION 7: Handling and storag 7.1. Precautions for safe handling Precautions for safe handling Hygiene measures 7.2. Conditions for safe storage, inc Storage conditions SECTION 8: Exposure controls/p 8.1. Control parameters Water (7732-18-5) 	 Dispose of materials or solid residues at an authorized site. In the information refer to section 13. In the information of the work station. Wear personal protective equipment. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Do not eat, drink or smoke when using this product. Always wash hands after handling the product. In the original container in a cool, well ventilated place. Keep container closed when not in use.
 6.4. Reference to other sections See Heading 8. Exposure controls and pers SECTION 7: Handling and storag 7.1. Precautions for safe handling Precautions for safe handling Hygiene measures 7.2. Conditions for safe storage, inc Storage conditions SECTION 8: Exposure controls/p 8.1. Control parameters Water (7732-18-5) Not applicable 	 Dispose of materials or solid residues at an authorized site. In the information refer to section 13. In the information of the work station. Wear personal protective equipment. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Do not eat, drink or smoke when using this product. Always wash hands after handling the product. In the original container in a cool, well ventilated place. Keep container closed when not in use.
 6.4. Reference to other sections See Heading 8. Exposure controls and pers SECTION 7: Handling and storag 7.1. Precautions for safe handling Precautions for safe handling Hygiene measures 7.2. Conditions for safe storage, inc Storage conditions SECTION 8: Exposure controls/p 8.1. Control parameters Water (7732-18-5) Not applicable Gadobutrol (770691-21-9) 	 Dispose of materials or solid residues at an authorized site. In the information refer to section 13. In the information of the work station. Wear personal protective equipment. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Do not eat, drink or smoke when using this product. Always wash hands after handling the product. In the original container in a cool, well ventilated place. Keep container closed when not in use.
 6.4. Reference to other sections See Heading 8. Exposure controls and pers SECTION 7: Handling and storag 7.1. Precautions for safe handling Precautions for safe handling Hygiene measures 7.2. Conditions for safe storage, inc Storage conditions SECTION 8: Exposure controls/p 8.1. Control parameters Water (7732-18-5) Not applicable Gadobutrol (770691-21-9) Not applicable 	 Dispose of materials or solid residues at an authorized site. In the information refer to section 13. In the information of the work station. Wear personal protective equipment. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Do not eat, drink or smoke when using this product. Always wash hands after handling the product. In the original container in a cool, well ventilated place. Keep container closed when not in use.
 6.4. Reference to other sections See Heading 8. Exposure controls and pers SECTION 7: Handling and storag 7.1. Precautions for safe handling Precautions for safe handling Hygiene measures 7.2. Do not eat, drink or smoke when using this product. Always wash hands after handling the product. Iduding any incompatibilities Keep only in the original container in a cool, well ventilated place. Keep container closed when not in use.

Levitation Agent

Safety Data Sheet

Skin and body protection Respiratory protection : Wear suitable protective clothing.

: None required under normal product handling conditions.

SECTION 9: Physical and chemical properties

9.2. Other information

No additional information available

SECTION 10: Stability and reactivity	
10.1. Reactivity	
The product is non-reactive under normal condition	ns of use, storage and transport.
10.2. Chemical stability	
Not established.	
10.3. Possibility of hazardous reactions	
Not established.	
10.4. Conditions to avoid	
None.	
10.5. Incompatible materials	
Not determined.	
10.6. Hazardous decomposition products	
Not determined.	
SECTION 11: Toxicological informatio	on
11.1. Information on toxicological effects	
Acute toxicity :	: Not classified
Water (7732-18-5)	
LD50 oral rat	> 90 ml/kg
Skin corrosion/irritation :	: Not classified

Levitation Agent

Safety Data Sheet

Serious eye damage/irritation	: Not classified
Respiratory or skin sensitization	: Not classified
Germ cell mutagenicity	: Not classified
Carcinogenicity	: Not classified
Reproductive toxicity	: Not classified
STOT-single exposure	: Not classified
STOT-repeated exposure	: Not classified
Aspiration hazard	: Not classified
Potential Adverse human health effects and symptoms	: Based on available data, the classification criteria are not met.

SECTION 12: Ecological information	
12.1. Toxicity	
Ecology - general	: The product is not considered harmful to aquatic organisms or to cause long-term adverse effects in the environment.

12.2. Persistence and degradability

Levitation Agent	
Persistence and degradability	Not established.
2.3. Bioaccumulative potential	
Levitation Agent	
Bioaccumulative potential	Not established.
	·

No additional information available

	12.5.	Other adverse effects	
--	-------	-----------------------	--

Other information

: Avoid release to the environment.

SECTION 13: Disposal considerations			
13.1. Waste treatment methods			
Waste treatment methods	: Dispose of contents/container in accordance with licensed collector's sorting instructions.		
Product/Packaging disposal recommendations	: Dispose in a safe manner in accordance with local/national regulations.		
Ecology - waste materials	: Avoid release to the environment.		

SECTION 14: Transport information

Department of Transportation (DOT)

In accordance with DOT Not applicable

SECTION 15	: Regulatory	y information

15.1. US Federal regulations

Water (7732-18-5)

Listed on the United States TSCA (Toxic Substances Control Act) inventory

15.2. US State regulations

No additional information available

SECTION 16: Other information

This information is based on our current knowledge and is intended to describe the product for the purposes of health, safety and environmental requirements only. It should not therefore be construed as guaranteeing any specific property of the product.
